Photographers Get Snapping!

All photographers are invited to submit images that capture the unique character of the Essex National Heritage Area and showcase the historic, cultural, and natural places of Essex County.

Photographs must be taken within the Heritage Area (Essex County) and represent one of the contest categories listed below. A list of communities in the Essex National Heritage Area can be found at:

2025 CONTEST CATEGORIES: Images will be judged in three categories:

<i>Contest Category</i>	<i>Criteria</i>
Magic Moments	Beauty surrounds us here in Essex County, and those “Magic Moments” where the perfect shot appears before you can happen whenever, wherever. Show us photos where you captured the picturesque quality of the Essex National Heritage Area by being in the right place at the right time.
Around Town	Whether you’re exploring a bustling downtown or strolling the quiet streets of a historic district, the lived-in environments of Essex County always have a story to tell. Show us the unique architecture, cobblestone alleyways, built structures, or public art installations that define the character of our towns and cities.
Your Favorite Places	With so much to see and do in the Essex National Heritage Area, it’s hard to pick a favorite place. For many of us, there are special spots we visit multiple times a year – or even every day! Show us your favorite places in Essex County, whether it’s a historic site, a scenic trail, or an iconic view.
Youth Category (Ages 5-17)	Young photographers of all skill levels are invited to submit photographs to the Essex Heritage Photo Contest! The theme for this year is <i>Young Perspectives</i> . Youth contestants should submit photos that let us see the wonders of Essex County through their eyes.
